### **REASONS FOR ALLOWANCE**

The following is an Examiner's Statement of Reasons for Allowance:

Any comments considered necessary by applicant must be submitted no later than the Payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

The references of record as requested in the preliminary amendment of March 29, 2004 for consideration of the prior art submitted in the parent application, Ser.No. 10/125,458 have also been considered for this instant application. The references do not anticipate as well as the references alone or further in view of each other suggest or motivate one of ordinary skilled in the art to employ the claimed processes of enzymatically converting the 7-ACA heterocyclic nitrogen derivative as noted by Formula IV to a 3-thiolated 7-ACA heterocyclic nitrogen derivative as noted by Formula I. Thus, the claimed processes are patentable over the art of record.
